Volunteer Village Watch Captain

◆ We have a new village watch captain at Lot 97, Michael Dunaway 865-237-6232. If you have any problems or concerns when Larry is unavailable please feel free to contact him.

◆ Neighborhood-

Our Village Watch Captain is here for everyone's safety and to take the appropriate measures if something out of the ordinary should occur. We do hope that each resident in the park will help in keeping Larry or the watch captain aware of any issues that will arise. I would like to ask everyone to join in and let's have a neighborhood watch. With your help as individuals and as a Community, together we can enhance the quality of life for everyone here at Volunteer Village. Again I would like to ask if you see anything out of the ordinary please contact myself or Michael Dunaway at 865-237-6232. Also no skateboarding or riding bikes in the roads please This is a safety issue.

Community Events

We had a great time at with our cook out at the end of summer so many people participated which made for a good success, both children and adults enjoyed themselves very much. We had lots of good food and drinks.

Our community events have ended until next year however, we would like your help with ideas in deciding some new and fun activities for next year.

Notes from the Manager

I would like to thank everyone who participated in our last community gathering. I look forward to seeing all of you again in the future when our Community Events start up again. For those who were unable to make it, I do hope that you will come out next time and join the fun. There are a few things I need to mention on a different note. There is a new website for Volunteer Village please check it out at volunteer-village.com

Homes- Winter is upon us make sure to winterize your homes with the necessary items such as heat tape, insulation around pipes and covering windows to avoid any drafts and to avoid frozen pipes. Also as it calls for freezing weather please make sure to let your faucets drip some to avoid freezing pipes.

Yards are to be maintained and clear of trash or clutter.

Children and the Animals

For those of you with dogs please make sure when you are walking your dogs that you also pick their markings up along the way.

For the safety and well being of all the residents the speed limit is 15 m.p.h. PLEASE SLOW DOWN and watch for children and animals

Children- Children are not permitted to play in the streets or play ground after dark. Parents are responsible for their children at all times. Vandalism will not be tolerated so parents your children are your responsibility not volunteer villages any vandalism will fall onto the parents of any children who vandalize and could be grounds for eviction.

Parking and Speeding

- You and your guests are to park in driveways or at the office for any overnight guests. As the rule states in your lease there is NO Parking overnight on streets. That is a fire and safety issue.

Trash Disposal- Garbage is not permitted outside at any time. So do not put your trash on the front or back porch or around your home. This is why we have dumpsters. I would like all trash can returned on Thursday to the side of your homes to continue in the success of a nice park.

SPECIAL THANKS

We here at Volunteer Village hope that you had a great Thanksgiving with family and friends and We wanted to wish you a very Merry Christmas the happiest of new year.

I am needing everyone in the parks email address so that you can be updated of any changes any upcoming events and many other things Please call me with your emails or you can send them to me with your name and lot number along with any current phone numbers for you to

volvillage@comcast.net

If there are families struggling with rent or utilities please get ahold of Jeanette 865-237-9320 for any referrals to agencies.
